APPLICATION FORM

ACADEMIC YEAR

2022/2023

HISTORICAL BACKGROUND

Mahinya college of Sustainable Agriculture is located at Namtumbo District within Nambehe village at Msindo ward in Ruvuma Region 28 kilometers from SongeaTown. The owner of the college is Archdiocese of Songea (Roman Catholic)

The college is focusing on its own grown and economic sustainability of the centre is growing little by little thanks to strengthen of the college and small improvement in the production. However, crucial support in funding is still coming from CO.P.E. Italian Non Government Organization.

This college started on 2008 aimed to provide two months courses of agriculture trainings to the youth and the community in general. The college succeeds to provide 35 courses and more than 1000 participants benefited.

the college registered with Vocational Education and Training Authority (VETA) and offer three years courses for Horticulture and field crop production and Animal Husbandry.

Also the college registered with National Council of Technical Education (NACTE) for provision of Certificate and Diploma in Agriculture Production and Animal Health and Production from NTA LEVEL 4 up to NTA LEVEL 6.

OUR VISION

The aim of the college is to be a “center of excellence” for agricultural and livestock acknowledgment, focusing on quality and sustainability. We believe in a future in which young generations are able to recognize territorial resources in order to become the wheel that moves Tanzanian economy for which concern agriculture and livestock.

OUR MISSION

The mission of the college is to provide the opportunity to attend an educational quality system for agriculture and livestock sectors, with an important focus on research, consultancy, environment, management, nutrition and entrepreneurship skills.
